

## Community Networks and Local Access Monthly Newsletter - Number 29

By APCNews – Published on 29 September 2020

Welcome to the 29th monthly round-up of developments impacting your local access networks.

We have created a new platform for community networks to share our experiences and grow together. Please join us at: <https://communitynetworks.group/>

APC shares highlights of its work to promote affordable and sustainable connectivity between 2016 and 2019. [Read more](#).

### Events and conferences

- This webinar taking place on 14-16 October invites participants to discuss a shift in the way we think about technology, with an emphasis on being together and sustaining life as the primary goals. [Read more](#).
- The African Community Networks Summit will happen virtually this year: five sessions, five months. [Read more](#).
